

ANU WHS Online Safety Courses

The online suite of ANU Safety Courses are available across two platforms, ANU Pulse and ANU Wattle.

Pulse and Wattle are available to ANU staff and students (with active U numbers) and can be accessed via ANU Single Sign On, using your standard ANU login details.

PULSE:

<https://anu.interactiontraining.net/Central/>

WATTLE:

<https://wattlecourses.anu.edu.au/>

Enrolments are no longer required; all courses (and associated quizzes) listed below can be completed at any time.

What is available through Pulse?

Completion records for these courses will be updated in your HORUS/ISIS training summary overnight.

The below courses are available in the channel: **WHS - Laboratory Practices.**

- ✓ **WHSO11 - Chemical Safety Management**
 - *Now incorporates GHS content.*
- ✓ **WHSO17 - Ionising Radiation Safety Unsealed Sources**

The below courses are available in the channel: **WHS - General.**

- ✓ **WHSO02 - WHS Management System for Managers and Supervisors**
- ✓ **WHSO03 - ANU WHS Risk Management**
- ✓ **WHSO04 - WHS Due Diligence**
- ✓ **WHSO07 - Figtree Workplace Safety Incident & Hazard Reporting Tool**
- ✓ **WHSO22 - Manual Tasks**
- ✓ **WHSO23 - WHS Committee Member Training**
- ✓ **WHSO24 - Contractor (Non-Trade) Induction**
- ✓ **WHSO25 - Contractor Safety Management**
- ✓ **WHSO27 - Asbestos Awareness**
- ✓ **WHSO29 - Setting up your workstation**
- ✓ **IMHR04 - Responding to Staff Injury or Illness in the Workplace - training for Supervisors**

The below courses are available in the channel: **WHS - Inductions**

- ✓ **WHSI04 - Research School of Chemistry Induction**
- ✓ **WHSI05 - Kioloa Induction**
- ✓ **WHSI06 - RSAA Mount Stromlo Observatory WHS Induction Tier 2 - Module 1 & Module 2**

To access each module, click on the module page and then click 'launch'.

What is available through Wattle?

Results from these courses will be updated in your HORUS/ISIS training summary at the beginning of each month.

- ✓ **WHSO10 - Biological Safety**
- ✓ **WHSO13 - Compressed Gas and Cryogenic Safety**
- ✓ **WHSO14 - Corrosives Safety**
- ✓ **WHSO15 - Gene Technology Practices**
- ✓ **WHSO16 - Flammable Liquids Safety**
- ✓ **WHSO18 - Ionising Radiation Safety Machines**
- ✓ **WHSO19 - Laser Safety**

To access these courses, users need to search for them on Wattle using their shortened Wattle Code (see table below), and then click 'enrol'. This will grant access to the materials and quiz for each course.

Wattle codes:

Course	Wattle search code
WHSO10 - Biological Safety	OHSBioSafety_2021
WHSO13 - Compressed Gas and Cryogenic Safety	OHSCGCS_2021
WHSO14 - Corrosives Safety	OHSC_2021
WHSO15 - Gene Technology Practices	GNTTP_2021
WHSO16 - Flammable Liquids Safety	FLSA_2021
WHSO18 - Ionising Radiation Safety Machines	IRSM_2021
WHSO19 - Laser Safety	OHSLs_2021

ANU WHS In-person courses

WHS Inductions

Staff are to upload the following two inductions to the Centralised Training Register once completed. This is done through the Talent Profile tile in HORUS.

- ✓ **WHSI02 - Local WHS Induction**
 - (Certificate code: WHSI02)
- ✓ **WHSI03 - High Risk Area WHS Induction**
 - (Certificate code: WHSI03)

The below courses are available for staff to register in through the HORUS/ISIS training catalogue.

First Aid Training

First aid certificates are required to be uploaded to the Centralised Training Register once received.

Please note: To ensure accurate reporting some certificates may be required to be uploaded multiple times to different certificate codes.

- ✓ **FAHR01 - Occupational First Aid**
 - (Certificate code: OFAC, PARC, CPR)
- ✓ **FAHR02 - Advanced First Aid**
 - (Certificate code: AFAC, CPR)
- ✓ **FAHR07 - Advanced First Aid Refresher**
 - (Certificate code: AFAC, CPR)
- ✓ **FAHR03 - Provide First Aid**
 - (Certificate code: PFAC, CPR)
- ✓ **FAHR08 - Provide First Aid Refresher**
 - (Certificate code: PFAC, CPR)
- ✓ **FAHR04 - Remote Area First Aid**
 - (Certificate code: RFAC, CPR)
- ✓ **FAHR05 - Perform Rescue from a Live LV Panel and CPR**
 - (Certificate code: ELVR, CPR)
- ✓ **FAHR09 - Cardiopulmonary Resuscitation**
 - (Certificate code: CPR)
- ✓ **FAHR11 - Cardiopulmonary Resuscitation Refresher**
 - (Certificate code: CPR)
- ✓ **FAHR10 - Advanced Resuscitation Refresher**
 - (Certificate code: PARC, CPR)

WHS Training

Completion of these courses will be updated following the session in your HORUS/ISIS training summary.

Please note: If you are provided with a certificate of completion for this course from the provider you are required to upload this through the Centralised Training Register once you receive it.

- ✓ **FSECO1 - Emergency Control Organisation (Warden) Training**
 - Completion of a quiz available on Pulse is required after the instructor led session.
- ✓ **FSEPC - Emergency Planning Committee**
 - (Certificate code: EPC)
- ✓ **WHSC07 - WHS & Fieldwork Safety**
- ✓ **WHSC13 - OSLO Practical Session**
 - Please email WHS@anu.edu.au to request access to the pre-requisite Pulse module.

The below courses are available off campus and can be organised by individual staff members.
Please note that the providers below, are not an exhaustive list.

Please upload completion of the below courses through the Centralised Training Register once the completion certificate is received.

- ✓ **Work Safely at Heights (Certificate code: HGT)**
 - [Loadwise](#)
 - [Master Builders](#)
 - [Safenet](#)
- ✓ **Electrical Appliance Testing (Certificate code: EAST)**
 - [NSW Electrical Test and Tagging](#)
- ✓ **HAZMAT Response Training (Certificate code: SCBA)**
- ✓ **Confined Space Training (Certificate code: CSTC)**
 - [Safenet](#)
 - [Master Builders](#)
- ✓ **Isolate - Lockout - Tag Out**
- ✓ **Health and Safety Representative (Certificate code: HSR)**
 - For a list of providers please click [here](#).
