Introduction

The Notification of Intent to Submit a Thesis eForm is now available for HDR students nearing the end of their program. The Notification of Intent to Submit is accessible alongside their other HDR Milestones in the Student Administration System. Two to Three months before they submit their Thesis, they will complete a Notification of Intent to Submit which will begin the submission and examination process. You will receive the eForm to review and action. The eForm allows you to:

- Review the Candidate's request for Thesis Access Restrictions
- Approve the application without changes
- Approve the application after amending the restriction details
- Only approve the standard 12 months Delayed Public Access.

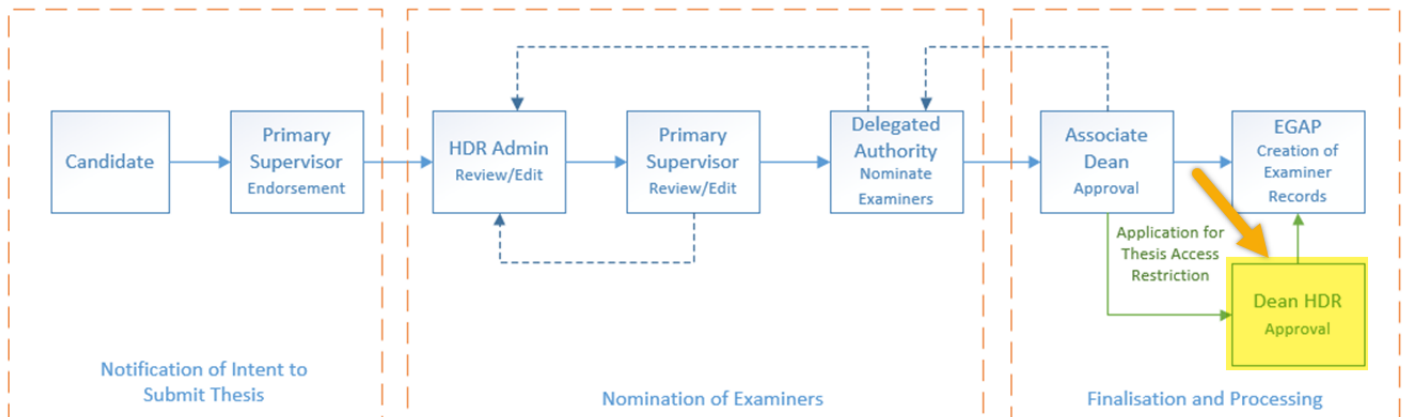

How to access the eForm

- When action is required on an eForm, you will receive an email with a direct link to the eForm.
- Email reminders will be sent when no action has been taken to complete the eForm.
- You can also access the eForm by logging into eforms.anu.edu.au. The eForm will appear in the 'Forms Assigned to My Groups' section.

Flow of eForm

As the Dean HDR, you will only receive the eForm in the final stages of the process, if the Candidate has applied for Thesis Access Restrictions.
