

## Student Echovideo Interface

Below are the different sections of the Echovideo interface:

1. The lecture recordings that are related to your course
2. These two icons indicate that the recording is available with an available resource (e.g. Powerpoint)
3. This icon when in pink, indicates that it is ready for view; whereas when it is in black, indicates that you have already viewed the recording
  - a. You can click on this icon to view/download the recording
